

**History of Computing - Selected resources for your research projects**  
**Available from RIT's Wallace Library (<http://wally.rit.edu>)**

**Reference sources (1<sup>st</sup> floor Reference collection)**

Biographical sources

- A to Z of computer scientists (QA 76.2 A2 H46 2003)
- Computer pioneers (QA 76.2 A2 L44 1995)

General background on historical developments

- Encyclopedia of computer science (QA 76.15 E48 2000)
- Encyclopedia of computers and computer history (2 vol., QA 76.15 E53 2001)
- Encyclopedia of computer science and technology (QA 76.15 H43 2003)
- McGraw-Hill encyclopedia of personal computing (QA 76.15 G53 1995)
- World of computer science (2 vol., QA 76.15 W67 2002)

**Important journals (2<sup>nd</sup> floor Periodical collection and online)**

IEEE Annals of the history of computing

- Print: 1979-2000 (QA 76.17 A56)
- Issues for 1979 to 1991 called Annals of the history of computing
- Online: 1992-current issue (IEEE Xplore database)

Journal of the ACM

- Print: 1960-current issue (QA 76 A77)
- Some pre-1960 volumes on microfiche (FICHE 82)
- Online: 1954-current issue (ACM Digital Library database)

Communications of the ACM

- Print: 1963-current issue (QA 76 A772)
- Pre-1963 volumes on microfiche (FICHE 83)
- Online: 1958-current issue (ACM Digital Library database)

**Periodical article databases (<http://wally.rit.edu/electronic/topic/compsci.html>)**

- INSPEC
- MathSciNet
- ACM Digital Library
- IEEE Xplore

**Other resources**

- Einstein – RIT Online Library Catalog: <http://albert.rit.edu>
- ConnectNY – Shared Online Library Catalog: <http://www.connectny.info>
- Copyright and plagiarism information: <http://wally.rit.edu/instruction/dl/stud.html>
- How to cite sources: <http://wally.rit.edu/researchguides/citing.html>
