

CS MS Scholarship Request

The CS department conducts a scholarship review for its CS MS students based on *cumulative* GPA at the end of spring term. This annual review applies to the subsequent summer term and academic year. **Please fill out the following information ONLY if you are a current CS MS student requesting an off-term scholarship review or possible scholarship increase.** Please be sure to include your email address as you will be notified via email of any decision made by the Graduate Program Director concerning a scholarship award or increase.

Please include your reasons for this request below. Scholarship requests will be reviewed based on academic merit and are not guaranteed. As off-term scholarship review requests are accepted only at the beginning of fall and spring terms, this form must be submitted prior to the first day of the semester for which you would like it to apply. A guide for scholarship range is: $3.0 < x \leq 3.3$: 20%, $3.3 < x \leq 3.7$: 30%, $3.7 < x \leq 4.0$: 40%. You will need to see Dr. Bischof in person if you submit a request which does not meet the criteria.

This form must be typewritten. Once completed, please submit via email to Jordan Gates at jordan@cs.rit.edu. If any portion of this form is not complete or is found to be inaccurate, your request will be automatically denied.
