

# Graduate\* Assistantship Application

\*BS/MS students are eligible to apply but must ensure that they have completed at least 126 semester units (year level 6 equivalency) at the time **employment begins**. If you are selected to receive funding to cover a portion of your tuition through this graduate assistantship program, it will replace any BS/MS scholarship funding that you have already been awarded.

## Identification

_____ Student Name	_____ Date
_____ Major (COMPSCI-MS, etc.)	_____ GPA (current) GPA (BS)
_____ UID Number	_____ Email
_____ Home Address (include City, State, Zip)	_____ County
_____ Local Address (include City, State, Zip)	_____ County
_____ Home Phone	_____ Cell Phone
_____ Term you began or will begin graduate study at RIT	_____ Non-bridge credits you have completed

## Plan of study for your RIT MS in Computer Science

**Availability:** To indicate availability for a term, please put a check in the box of any term you are able to work on campus. Then put the number of credits you plan on taking during that term on the line next to the checked box.

<input type="checkbox"/> _____ 2185 Spring	<input type="checkbox"/> _____ 2188 Summer	<input type="checkbox"/> _____ 2191 Fall
<input type="checkbox"/> _____ 2195 Spring	<input type="checkbox"/> _____ 2198 Summer	<input type="checkbox"/> _____ 2201 Fall

**The terms you list for availability will be strictly adhered to if you are given an assistantship. No co-ops will be allowed for those terms.**

**Additional Information  
Graduate Faculty  
should consider**

**Reference  
Information**

**Please list three references. At least one reference should be from RIT.**

Name	Phone	Email

**Preferred  
Position**

**Indicate the positions you would like to be considered for. If you are interested in all three positions, please indicate your preference by numbering them from 1 to 3, with 1 being the most preferable.**

\_\_\_\_ **Teaching Assistant (required terms: Spring 2185 and Fall 2191):** Students will work 20 hours per week. Work will consist of instructing and grading labs, holding office hours, and teaching help sessions, and special recitation sessions to help to prepare CS students for upcoming exams.

\_\_\_\_ **Graduate Technical Assistant (required terms: spring 2185, Fall 2191 and Summer 2198 ):** Students will work 20 hours per week. Work will consist of providing support to the Systems Administrators, troubleshooting systems and printer problems, assisting faculty and students with issues related to systems, servers and accounts and other related duties as assigned.

\_\_\_\_ **Lab Manager (N/A):** Students will work 20 hours per week. Work will encompass many things in the areas of lab operation and the interviewing, selection, and scheduling for lab assistants, all related hiring and time card paperwork and other related duties as assigned.

**Please submit this form to the Computer Science Department (GOL-3005) along with an attached resume.**

**Candidate Signature:**
