Have you been a Student Lab Instructor in the past? Yes \_\_\_\_\_ No \_\_\_\_\_

If yes, please specify the name of the course(s) you taught.

\_\_\_\_\_ Course

\_\_\_\_\_ Course

If given a choice, which course(s) would you like to teach (please check all you are interested in):

Computer Science I (CSCI 141) \_\_\_\_\_ Computer Science II (CSCI 142) \_\_\_\_\_

CS for AP (CSCI 140) \_\_\_\_\_ CS for Transfers (CSCI 242) \_\_\_\_\_

What time of day would you prefer to teach (please check all you are interested in):

Morning \_\_\_\_\_ Afternoon \_\_\_\_\_ Evening \_\_\_\_\_

Have you ever taught in any fashion? Yes \_\_\_\_\_ No \_\_\_\_\_

Have you ever tutored other students under a supervised program? Yes \_\_\_\_\_ No \_\_\_\_\_

Have you ever graded for courses here at RIT? Yes \_\_\_\_\_ No \_\_\_\_\_

Why are you interested in becoming a Student Lab Instructor?

---

---

---

Please submit your schedule for the term you are applying for. Be sure to also include all commitments outside of classes also.

**NOTE: You must be registered as a full-time student to work for the Computer Science Department and cannot work more than 20 total hours for all your on campus jobs.**

Please complete this application and either email it back to Jordan Gates (jmgvcs@rit.edu) along with your class schedule or submit hard copies to the Computer Science Department's Student Services Office in GOL-3005.

Upon reviewing your application, you will be notified if you have the job after we are able to schedule the labs for the upcoming term. Please check your email regularly for a response from us.

We will select students whom we feel are best prepared and have the skills to perform the job. All offers are contingent upon your GPA remaining at 3.0 or above for undergraduate students and 3.25 or above for graduate students. There will be some students whom we may have been very interested in hiring but their free time did not fit into our available lab schedule. If that is the case, please reapply next term or request hours in the Tutoring Center.
