

The graph illustrates a complex network of 33 nodes, each representing a specific entity or component. The nodes are interconnected by a series of edges, all of which are labeled "Single", indicating a uniform type of relationship or connection between the nodes. The nodes are distributed across the image, with some clusters and many isolated connections. The labels for the nodes are as follows:

- 0_1, 1_1, 2_1, 3_1, 4_1, 5_1, 6_1, 7_1, 8_1, 9_1, 10_2, 11_4, 12_2, 13_2, 14_2, 15_2, 16_2, 17_2, 18_2, 19_2, 20_3, 21_13, 22_6, 23_3, 24_3, 25_3, 26_3, 27_3, 28_3, 29_3, 30_4, 31_14, 32_14, 33_5

The connections are all labeled "Single".
