

The graph illustrates a complex molecular structure with the following components:

- Atoms:** Labeled with element symbols and indices, such as O<sub>1</sub>, N<sub>3</sub>, S<sub>1</sub>, C<sub>1</sub>, H<sub>1</sub>, F<sub>1</sub>, and others.
- Bonds:** Labeled "Single", indicating single bonds between atoms.
- Structure:** The graph is composed of several interconnected rings and chains, including a large central structure and a smaller ring on the right.
