

The image displays a mathematical equation $(D^* D^* + m^2) \mathcal{H} = 0$ rendered in a multi-colored, stylized font. The equation is plotted on a coordinate system with a horizontal x-axis and a vertical y-axis. The x-axis is labeled with values 0, 500, 1000, 1500, 2000, and 2500. The y-axis is labeled with values 0, 100, 200, 300, and 400, with the origin (0,0) at the top-left corner. The equation is positioned horizontally across the plot, starting near x=0 and ending near x=2800. The characters are filled with various colors including blue, green, red, purple, yellow, and cyan. The asterisks in D^* are light green and yellow. The plus sign is green, m^2 is multi-colored, \mathcal{H} is multi-colored, the equals sign is green and purple, and the zero is multi-colored.
