List of Critters

- PLANT
 - Has eyes that follow ESTER, rolls eyes, leaves move like hands
 - Need eye and "hand" control
 - With glasses off PLANT does nothing
- BUNGIE-BOO
 - Jumps out of fridge when opened.
 - Say's "S'alright" (sound cue / selective hearing?)
 - BUNGIE-BOO hands ESTER bottles and food
 - Q: Is food invisible too when glasses off?
 - With glasses off, BUNGIE-BOO is invisible and **silent**.

List of Critters

- BROOM
 - BROOM jumps into ESTERs arms
 - ESTER dances with the broom
 - With glasses off, BROOM sits in the corner.
- PSYCHO CAT
 - CAT is imaginary...jumps off chair when shoood off. Otherwise sleeps
 - With glasses off, CAT is invisible

List of Critters

- FLASHLIGHT BIRDS
 - Shine light through window and flies into window
 - With glasses off, they, and the light they emit (this will be a challenge) are invisible.

List of Critters

- DANCING BUGS over SOUP
 - Need smoke when ESTER lifts lid off of pot
 - BUGS do a (pre-animated) choreographed dance.
 - With glasses off, only smoke is seen.

Other props to deal with

- TV
 - Will be playing a sequence from a cooking show
 - Prerecorded sound from TV (sound cues)
 - "blue light" from TV, not necessarily video.
- Fridge
 - Must control opening and closing of fridge (independent of BUNGIE-BOO)
 - Staging cue.

Other props to deal with

- Flyswatter
 - Used by ESTER to swat dancing bugs
- Food props
 - Given to ESTER by BUNGIE-BOO (seen only when glasses on?)
 - Banana (with peel), Carrot, Bottle of Rum

Questions?

- Carry on!
